WORKSHOP BOOKING FORM

WHAT DO PANELS DO? *A workshop for new adoption and fostering panel members*

THEME

The Adoption and Children (Scotland) Act 2007 provides the overarching framework for adoption and fostering panels in Scotland. Panels make key recommendations which affect the lives of children, foster carers and adopters. Many of these recommendations have life-long consequences for those involved. It is therefore important that panel members have both an understanding of the role of panel as well having an opportunity to consider their contribution to this process. This workshop will reflect the updated Effective Adoption and Fostering Panels in Scotland good practice guide.

WHO SHOULD ATTEND?

This workshop is aimed at new adoption and fostering panel members, panel advisers and it may also be of interest to new medical and legal advisers.

LEARNING OBJECTIVES

- Consider the legal and regulatory framework for adoption and fostering panels;
- Explore the role of different panel members;
- Analyse the process of making good recommendations;
- Discuss regular dilemmas which arise at panel;
- Share good practice with other panel members.
